Abstract (en)  
[origin: WO2022157457A1] The invention relates to an extract of top growth of holy basil, in particular of Ocimum sanctum, a method for preparing the extract, and the extract obtainable by said method. The invention also relates to a composition comprising such an extract, the composition advantageously being a cosmetic, pharmaceutical or dermatological composition. The invention also relates to such a composition or such an extract for use in preventing or treating disorders or diseases of the skin, the mucous membranes or the skin appendages, and for use in preventing or treating vascular disorders. Finally, the invention relates to a cosmetic care method for the skin, skin appendages or mucous membranes, with a view to improving the condition or appearance thereof, which method consists in administering such a composition or such an extract.
