Abstract (en)

[origin: WO2022258935A1] [1] The invention belongs to the field of cosmetics, in particular of the care, hygiene and/or making up of keratin materials, preferably the lips and/or the skin, more particularly to that of compositions such as a foundation, a sun cream, a lipstick or an eyeshadow. [2] The present invention relates to a combination of starting materials comprising a C12 to C30, preferably C12 to C15, alkane or alkane mixture, a film-forming agent, and at least one filler, the linseed oil uptake of which, according to standard EN ISO 787-5, is greater than 45 g/100 g; to the use thereof in a cosmetic composition, said cosmetic composition being chosen from a foundation, a sun cream, a lipstick and an eyeshadow; to the use of the cosmetic composition for the care, hygiene and/or making up of keratin materials, preferably the hair, the lips and/or the skin, and also to a cosmetic method for the care, hygiene and/or making up of keratin materials, preferably the lips and/or the skin. There is no figure.
