Abstract (en)

[origin: WO2022263643A1] The invention relates to a storage unit (1) for the storage and application of mascara, in particular fluids and suspensions, wherein the storage unit (1) has a fillable or interchangeable tank (2), wherein the tank (2) is designed for storing mascara, wherein the storage unit (1) has at least a first aperture (4), in which a lash brush (12) can be accommodated, wherein the storage unit (1) and/or the tank (2) have/has at least a first application element (8), which is of at least partially mascara-permeable design, wherein the first application element (8), which is arranged in the first aperture (4), is designed for feeding mascara out of the tank (2) onto a lash brush (12). The invention also relates to a mascara system (30), to an applicator (32) which can be used for this purpose, and to the use of a storage unit (1) for the application of mascara.
