⑩ Fixture for composing inscriptions on marble slabs or the like, especially on tombstones and loculi.

⑪ Fixture for composing inscriptions on marble slabs or the like, especially on tombstone and loculi, comprising a substantially bar shaped body (1) provided, on at least one side, with a plurality of small pins (11) to which may be secured, removably, templates (21) each representing the

shape of metal letter to be applied. The templates (21) are provided along at least one of their edges with a plurality of holes (22) for insertion on pins (11). The bar shaped body (1) is provided with means (2) for securing it to the marble slab.
