54 **Gas actuated pistol.**

57 A gas actuated pistol with a barrel unit defining a path
 for gases present proximate a breach end of the barrel unit
 to an open end below the bore of the barrel unit proximate
 the unit's muzzle end. The barrel unit of the pistol includes
 front locking means with recesses designed to accom-
 modate side walls of the front end of a frame unit which
 forms part of said pistol.

CLAIMS INCURRING FEES

The present European patent application comprised at the time of filing more than ten claims.

- ☐ All claims fees have been paid within the prescribed time limit. The present European search report has been drawn up for all claims.
- ☐ Only part of the claims fees have been paid within the prescribed time limit. The present European search report has been drawn up for the first ten claims and for those claims for which claims fees have been paid, namely claims:
- ☐ No claims fees have been paid within the prescribed time limit. The present European search report has been drawn up for the first ten claims.

X LACK OF UNITY OF INVENTION

The Search Division considers that the present European patent application does not comply with the requirement of unity of invention and relates to several inventions or groups of inventions.

namely: 1) Claims 1-6,8: Gas actuated semi-automatic pistol
2) Claim 7: Adjustable trigger mechanism

- ☐ All further search fees have been paid within the fixed time limit. The present European search report has been drawn up for all claims.
- ☐ Only part of the further search fees have been paid within the fixed time limit. The present European search report has been drawn up for those parts of the European patent application which relate to the inventions in respect of which search fees have been paid.
- namely claims:
- ☒ None of the further search fees has been paid within the fixed time limit. The present European search report has been drawn up for those parts of the European patent application which relate to the invention first mentioned in the claims,
- namely claims: 1-6, 8
