㉚ **A ro-ro vessel.**

㉛ A RoRo-vessel having an upper cargo-carrying deck (12) and a permanent communication deck (11) therebelow, as well as at least one centrally located cargo space (16). This extends from the upper deck to below the water line. This cargo space houses two series of two-storey cargo reception elevators (18), which are vertically displaceable by means of lifting gear in such a manner that either the upper (19), or the lower (20) platform thereof will be level with the lower communication deck (11).
