84 Designated Contracting States:
 BE LU

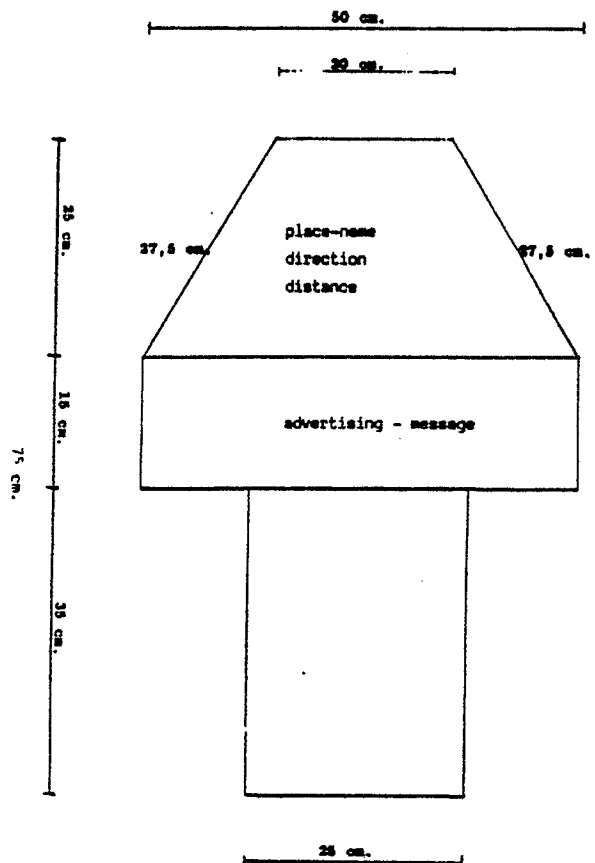

54 A tourist signpost annex advertisementboard applied to a mushroom-shaped signpost.

57 This idea is an alternative regardin to the in The Netherlands well known ANWB-mushroom-signpost to introduce now a mushroom-signpost upon which is capacity to make mention of advertisements bij trade and industry and any other interested party, all in the widest sense and keeping within the law.

The frame of de mushroom-signpost will be made of cast concrete. The frame will be covered in a screen of resisting atmospheric actioned synthetic material of a white color.

The characters of the place-name, direction and distance will be in black color.

The color and characters of the advertisements will be arranged in consultation with the principal(s).

EP 0 273 490 A1

This idea is an alternative regarding to the in The Netherlands well known ANWB-mushroom-signpost to introduce now a mushroom-signpost upon which is capacity to make mention of advertisements by trade and industry and any other interested party, all in the widest sense and keeping within the law. 5

The frame of the mushroom-signpost will be made of cast concrete. The frame will be covered in a screen of resisting atmospheric actioned synthetic material of a white color. 10

The characters of the place-name, direction and distance will be in black color.

The color and characters of the advertisements will be arranged in consultation with the principal(s). 15

Claims

1) The frame of the mushroom-signpost will be made of cast concrete. 20

2) The frame will be covered in a screen of resisting atmospheric actioned synthetic material of a white color. 25
