(54) **Modular component for kitchens**

(57) A modular component (10) of the wall-mount or free-standing type for kitchens. The modular component (10) that has a main compartment (15,16), or a structure that can be integrated therewith, is provided with a closure door (21,22) made of transparent and reflecting material of any color and with any degree of reflection. The main compartment (15,16) furthermore comprises, in at least one side panel (11) or in a part thereof, one ventilation grille (12,13,14) and a region (18) adapted for the passage of cables.
