(54) **Procedure for the installation of manufactured products, particularly with throwaway insulating panels**

(57) Process for the installation of concrete manufactured products in which it is provided the realisation of a throwaway formwork (A) inside of which carry out the concrete casting which thus buries at least one of the containing walls (1) as a part of the formwork (A), each wall comprising:

- some throwaway structural panels (1) obtained in mineralized wooden fibre, each panel being of the reinforced type in correspondence of at least one

surface by means of a pre associated fiberglass net (1") which does not clog the cavities of the underlying panel (1');

- some spacing devices (3) also of the throwaway type, provided with selector means coaxially to which there is a connection plate in which along the edges and specularly are obtained some reference equidistant from respective ends.
