(54) **Quick take off work trousers**

(57) Quick take off work trousers are disclosed, comprising a combination of a press stud with a tongue hook sliding in an eyelet, applied at a short mutual distance on the waist of the trousers, allowing an immediate snap

opening of the fly of the trousers.

These trousers are particularly useful in all the conditions in which a garment adapted to be put on or taken off with the utmost speed is required, such as emergency squads and operators for any emergency situation.
