(54) **PHARMACEUTICAL COMPOSITION CONTAINING CHENOPODIUM AMBROSIODES EXTRACT AND ITS PREPARATION PROCESS AND APPLICATION**

(57) The present invention relates to plant extracts, specifically, the extracts of Chinese medicine *Chenopodium ambrosioides* L. and the composition comprising thereof. The extracts of Chinese medicine *Chenopodium ambrosioides* L. are prepared by conventional methods for the extraction of volatile oil, and can be used to treat Helicobacter Pylori-induced diseases of digestive system, such as gastritis, gastric ulcer, etc., with easy availability of raw materials, simple preparations, prominent effects, and less side-effect.
